NAME CHANGE AND REQUEST TO FORWARD TO
PATENT EXAMINER FOR EXAMINATION**

Dear Sir or Madam:

In response to the "Decision on Petition" mailed March 20, 2006, the undersigned acknowledges and appreciates the granting of the petition to revive the application under 37 CFR 1.137(b).

In addition, the Decision of March 20 denied the petition to change the last name of the inventor from "Schindler" to "Black" for want of signatures using both names and for want of the latest Petition fee of \$400.00 (only \$130 was paid). The Applicant hereby withdraws her petition for name change without prejudice, and requests that the application be forwarded immediately to the patent examination group and the patent examiner for substantive examination, including but not limited to processing of the CPA
